Dear Mr. Smith:

It was a pleasure to receive your friendly letter of July 15. It sounds to me as if you are still getting in your share of hiking in California back lands. I have spent a few days in the Salmon-Trinity Alps and John Muir Wilderness this summer and have another planned as a vacation with my entire family.

Enclosed is a copy of our latest annual report which I hope you will find interesting. Please feel free to visit with me in our San Francisco office whenever convenient with you. It will be a pleasure to see you again.

Sincerely,

Doug Leisz
